EYEGlass CARE AND
CLEANING INSTRUCTIONS

Thank you for purchasing your eyewear from us. To ensure the best fit, comfort and vision, please follow these guidelines:

- Whenever possible, rinse lenses with lukewarm water prior to wiping lenses clean.

- Always use microfiber or cotton cloth to clean lenses. Never use paper products, as they may scratch your lenses.

- Anti-reflective lenses may be cleaned with a mild dish soap, or an approved eyeglasses lens spray cleaner.

- Never use household cleaning products on your lenses.

- Use both hands to put on and take off eyewear. Avoid touching the lenses and never lay the glasses down so that the lenses touch another surface. They may get scratched.

- Put your glasses in their case when you aren’t wearing them. If they are loose in your pocket or purse, the lenses may scratch.

- Never leave your glasses in extreme heat environments. Frames and/or lenses can warp!
